Week 01

Winters Day

Snowflake crafting, how to make a winter snowball and mountains full of snow. Winter is here, themed painting is going to be so much fun. Show us your creativity off winter and cold.

Week 02

Story Book

Spark imagination with characters. Sketch ideas and tell us your story. Draw all your details for your own story book, we cannot wait to see what your story is about.

Week 03

Ladybug Playdough

Get ready for your Ladybug playdough set up. What is your bug going to look like? This is going to be super cool to see all the different bugs flying around.

Week 04

Flower Day

What is your special flower that you would like to make and create? Let's get all our creative ideas together and see how we can make your flower.

Week 05

Animal Day

Butterfly, bees, dragonflies, or butterflies and so many more. Do you have an animal that you like even more? We will have to work together to create your favourite animal.

Week 06

Hands & fingerprints

This is very cool; did you know that your hand and your fingerprints is very unique to you? Every person in this world have a special fingerprint only identifying you. Let's paint with our fingers this week.

Week 07

Clock's

Clocks are very special to our daily routine. This week we are going to make our own clocks and learn how to read different times of the day. Super fun Week.

Week 08

Active & Sports

Run, jump, kick, and score! Engage in soccer matches, basketball dribbles, and tag games. Swing on monkey bars, climb ropes, and conquer obstacle courses. Playful energy unleashed!"

Week 09

Baking

Measure, mix, knead, and bake! Whip up cookies, cakes, and pies. Roll dough, decorate treats, and savour sweet aromas. Baking joy shared with your friends!" Let's do some baking!"

Week 10

Fun Week

Laugh, learn, explore, and play! Each day filled with adventures, games, crafts, and surprises. Friendship, discovery, and joy abound in this exciting, fun-filled week!"
