

WEEK 1

My Summer Holiday

Reflect on the fun had this summer and get your brain & body in shape for a great year!

WEEK 2

Happy Hearts

Bring kindness and joy to others and ourselves as we acknowledge the season of love with kindness through art, games and more.

WEEK 3

The Lost World

Explore a forgotten world as we dive into Sir Arthur Conan Doyle's remarkable novel filled with mystery and amazing creatures!

WEEK 4

The Amazing Snake

Investigate these slithering creatures through snake inspired art, games and food!

WEEK 5

Fingerprint Forensics

Each one is unique!
Become a detective as we investigate Fingerprints!

WEEK 6

Adventure Week

Choose Your Own Adventure! All activities this week will be chosen by YOU! What would you like to do?

WEEK 7

Luck of the Irish

O diddly ay! The Irish are known for their luck. Try your luck with Irish themed STEM, games and art!

WEEK 8

The History of Games

From boardgames to video games, we'll explore the origins of our favourite games and create some new ones!

WEEK 9

Romero Britto

Jump into the wild and wonderful world of this renown Brazilian artist. Be inspired by his work and make your own creative masterpiece.

WEEK 10

Easter

Celebrate Easter with cute crafts, traditional games and a story to remind us the importance of loving others.
